Instructions shipments via warehouse

- The venue does not accept shipments that are sent directly
- **Merkur Expo Logistics GmbH**'s responsibility ends with the delivery of the exhibitor's consignment to the stand during the set-up phase, regardless of whether the exhibitor is present or not. Items remaining on the stands after the official dismantling time will be removed at the exhibitor's expense.
- You can arrange your shipment to our warehouse with any carrier or courier service or contact us to get a quote for door-to-door shipping. We recommend door-to-door service to avoid too many parties involved.
- No acceptance of consignments without prior notice / order form (Consignments without advance notice will be charged with additional costs or returned to the sender)
- All shipments coming from non-EU countries are subject to customs clearance and must be accompanied by a commercial invoice for customs purposes. For shipments with high values that need to be returned after the event, we recommend opening a carnet in the country of origin.
- All shipments must be sent on a prepaid basis, Incoterm DDP (Delivered, Duties Paid).
- Handling costs according to official tariff.
